ISSUE 49 Ramadan 1439 AH - June 2018 CE

قَالَ رَسُولُ اللَّهِ ﷺ

ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مَنَاجِ النُّبُوَّةِ

"Then there will be a Khilafah on the Method of Prophethood"

Indeed, Khilafah is the merchandise and the industry,
it is the guardian of the Deen and Dunya, with it the rules are implemented,
the punishments (Hudood) are established, and conquests are achieved by truth.
Khilafah is the glory and protector.

Opening Statement

The month of Rajab Muharram is a month of great impact and influence on the life of the Islamic Ummah. It holds the remembrance of the Isra and Maraj, where our Prophet Muhammad, peace and blessings be upon him, journeyed to the Bait Al-Maqdis and ascended to the Highest Skies. It is also the anniversary of the destruction of the State of Islam (Khilafah) on 28 Rajab 1342 AH where the Messenger of Allah (saw) and his beloved companions, may Allah be pleased with them, sacrificed dearly in order to establish and install the pillars, came a band of Arab and Turk traitors and destroyed that monumental edifice by the implementation of the plots of their masters, the Kaffir colonists.

On the 28th of Rajab every year brings to mind the darkness, tragedies and dire consequences of the entire Islamic Ummah. Millions of Muslims around the world are still suffering from the destruction of the Islamic State (Caliphate), the massive genocide of Muslims in their country and the plundering of the wealth of the Ummah. The great suffering under the rule of the rulers of the tyrants imposed upon the Muslims their interests and accepted them to satisfy their masters of the colonial infidels (Kuffar) at the expense of their peoples, all of this is witness to it.

This Mukhtarat issue is dedicated to the remembrance of the destruction of the Khilafah State featuring worldwide events organized by Hizb ut Tahrir aimed to bring awareness to the Muslim Ummah of the urgency of reestablishing the Islamic State upon the method of the Prophethood. Various global events included conferences that took place in America to Tunisia, lectures to massive rallies from the Blessed Land – Palestine to Indonesia, and a car procession in Lebanon to the youth festival in Sudan.

The response to the numerous events held by Hizb ut Tahrir throughout the world has been received with an overwhelming welcome and desire for the glorious return of their safeguard and the full implementation of the systems of Islam.

«الإمامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَنْتَقِي بِهِ»

“The Imam is a shield behind whom you fight and protect yourself.” These reverberations were felt throughout the Muslim lands where Hizb ut Tahrir called upon the people to join their hands with Hizb ut Tahrir and work diligently to establish the Deen and put an end to the oppression and humiliation suffered by the Ummah.

This issue highlights some of the extensive activities that took place in Rajab al-Muharram of 1439 Hijri to ignite great hope and eagerness and instill faith in the promise of Allah Taala of the rise of the sleeping giant, the second Khilafah Rashidah upon the method of the Prophethood, indeed it is closer than the blink of the eye.

“Then there will be a Khilafah on the Method of Prophethood”

Press Release

(Translated)

It is not disputed that the rulings of the Khilafah State (Caliphate) are of the practical jurisprudence, and not of matters of the creed. Also it is not disputed that there is no existence of Islam in practice in its absence. The application of the rules of the Shariah is an obligation of sufficiency (Fard Kifayah) on the Ummah that will delegate on their behalf the Imam who will look after its affair according to the rules of Islam, and will follow policies to deter those who plot against the Ummah and its Deen, and will lead foreign policy in order to spread the message of Islam to the world.

The enemies of the Deen and the Muslims work relentlessly to prevent the resumption of Islamic life. They have not only destroyed the Khilafah State by the hand of criminal Mustafa Kamal 97 years ago (Hijri), but they have plotted to eradicate the Islamic Aqeedah from existence, or at least from the hearts and minds of Muslims. They did not only disrupt the rules of Deen but they imposed man-made law imported from Western civilization, rather they worked and still do, to distort the rules of Islam on the one hand and to decorate the concepts of the Western civilization which are bankrupt from any argument, proof or anything else.

Imam Abu Hamid al-Ghazali (may Allah have mercy on him) said: "Ruling and the Deen are twins, the Deen is the origin and the Sultan (ruling) is the guard, and that which has no origin will be destroyed and that which has no guard will be lost". Thus, after the removal of the guardian Sultan, the West embarked on persistent attempts to uproot the Islamic creed from the hearts of the Muslims, if not through the means of intellectual invasion, and the imposition of imported systems and laws and the decoration of the corrupt Western civilization only; it is also through inventing wars with many justifications, by the hands of the agent Muslim rulers sometimes. (As witnessed in Yemen, Iraq, Syria and Libya, and the last air strike carried out by the Afghan Air Force, in the province of Kunduz in the north of the country, on a school during the graduation ceremony of a group of memorizers of the Qur'an, killing 100 and wounding 50 others). And through its armies at other times, after setting up military bases and made the sons of Muslims targets to experiment on them its modern lethal weapons.

But this Ummah did not and will not die, and Allah (swt) has pledged to preserve this Deen, and even to make it prevail over all ways of life:

﴿يُرِيدُونَ أَن يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَى اللَّهُ إِلَهُ أَن يُتِمَّ نُورَهُ وَلَوْ كَرِهَ الْكَافِرُونَ ۚ هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾

“They want to extinguish the light of Allah with their mouths, but Allah refuses except to perfect His light, although the disbelievers dislike it. It is He who has sent His Messenger with guidance and the religion of truth to manifest it over all religion, although they who associate others with Allah dislike it” [At-Tawba: 32-33].

The Islamic Ummah has been torn apart, divided and has lost its Khilafah since ninety-four years (in the Gregorian calendar) or ninety-seven Hijri years. We say enough is enough! It is high time that this Ummah gather around an astute, prudent and sincere political leadership that will restore the Ummah's glory and utilize its resources for the service of its sons, and will remove the hegemony of its enemies over the Muslims and will implement the Shariah of its Lord. Therefore this year Hizb ut Tahrir on the anniversary of the destruction of the Khilafah is mobilizing Muslims, in various parts of the globe from east to west, to work diligently with it in order to restore Islam to the reality of life through the establishment of the rightly guided Khilafah state (Caliphate) on the method of the Prophethood. Holding of seminars and conferences and organizing marches and issuing statements and publications, in the cities of Turkey, the capital of the Uthmani Khilafah (Ottoman Caliphate), in the east, central and west, and in Palestine from the heart of (Al-Quds) Jerusalem to Gaza Hashem, and in Lebanon, which the West

wanted it to be the spearhead of diffusing the poison of its rotten civilization, and in Sudan and Tunisia, Kairouan, to Malaysia and Indonesia.

We pledge to the Ummah to sacrifice our souls for this great Deen, we call upon every Muslim who is protective of Allah's sanctities and His Shariah to work with us to realise the Messenger of Allah's glad-tiding (saw):

«ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَا جِ النَّبُوءَةِ»

"Then there will be a Khilafah on the Method of Prophethood"

And to achieve Allah's promise:

«وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَىٰ لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ»

"Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession

[to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient" [An-Nur: 55]

O Allah, grant us your promise, and honor us with the pledge of allegiance to the Caliph to rule by your Book and the Sunnah of your Prophet (saw). You are the guardian of that and capable of it. Alhamdulillah Rab Alameen in the beginning and end.

The Hizb in the Blessed Land of Palestine announced mass events for the anniversary of the destruction of the Khilafah on Saturday, April 14, 2018 a demonstration in Hebron, Jenin, and the Gaza Strip; on April 21, 2018 in Ramallah.

Transcript of Speech delivered at the blessed Masjid Al Aqsa
In the name of Allah, Most Merciful, Most Beneficent

On the 97th anniversary of the Destruction of the Khilafah;

Hizb ut Tahrir and the people of the Quds gather at the Al-Aqsa Mosque chanting.

The Khilafah will bring back for the Ummah, its honour and for AlQuds, its status.

All praise is to Allah and may peace and blessing be upon His Messenger and his family, companions and those who followed.

O people: Wouldn't the return of your strong and noble Ummah make you proud after it has been through a long period of humility and weakness?

Nothing can bring the return of the Ummah's honour apart from the Khilafah.

Do you not miss seeing the Quds as an abode for the Muslims, and Aqsa liberated and a place which all Muslims travel to, instead of it being a mere place of prayer for a few Muslims from the people of Palestine, and a sanctuary for normalization?

Indeed the status of Quds can't be restored and Aqsa can't be liberated expect through the Khilafah.

O Muslims: 97 years have passed since the loss of the Khilafah and the loss of the Ummah's honour and the status of Quds!

97 years have passed since the loss of the Khilafah and the Ummah has suffered from calamities and countless numbers of killings, injuries, disasters and displaced.

97 years have passed since the loss of the Khilafah and the evil rulers have prohibited the implementation of the rule of Allah, while being loyal to the Kuffar while they suppress the Ummah and waste its wealth.

97 years ago since loss of the Khilafah and there isn't an inch of the Muslim lands, but some occupier or usurper or vile thief or someone who benefits from the cheap rule, who sells his religion for the world, while being disloyal to Allah and His Messenger and the believers!

97 years have passed since the Khilafah's absence and Islam has been the targeted; the Kuffar and their loyal rulers want to change it under the guise of reform, extremism and moderation, and to fight what they call as terrorism. They fabricate various political and military pretexts to achieve their terrorist aims. They killed millions, destroyed entire cities and wiped out entire villages which

were protected and peaceful!

97 years ago have passed since the destruction of the Khilafah and the efforts of Muslims have remained scattered, and Muslims are tormented in Syria, Palestine, Burma and other Muslim countries seek refuge and there is no rescuer!

Dear people: Wouldn't it please you to see Palestine and Bilaad ash-Sham as a place for the Abode of Islam, with the whole world being governed from here with guidance and decent care, instead of remaining including the rest of Muslim lands looted by the capitalists? (Indeed!)

* Indeed that will not happen expect under the shade of the Khilafah!

Do you like to be ruled by a man who responds to the appeal of the oppressed and strips his sword of its sheath and declares jihad to support them and liberate the countries and the slaves, and defeats the aggressors and chases them to their homes if they have a home which remains?

*Indeed that cannot happen except at the hands of the Khalifah.

From here, from the courtyards of the captive Al-Aqsa Mosque, and from the place of ascendance (Israa) of our beloved Messenger Prophet Muhammad, peace and blessings be upon him, we address the Ummah and its armies, and its people of power, to come to the support of Islam and Muslims.

Rush to the liberation of the captive Al Aqsa Mosque! Rush to gather the disheveled strands of the Muslims! Rush to the support of the weak in Syria, Palestine, Yemen, Burma and the rest of the Muslim countries.

O armies of Muslims, the army of Turkey and the armies of Jordan, Egypt, Saudi Arabia and Pakistan ... When will you roar in the courtyards of the Al-Aqsa Mosque, and declare the Takbir?!

O armies of the Ummah and its good officers: Here, you witness what happens in Palestine and its Blessed Mosque, so who is for the people of Palestine and its Blessed Mosque other than you, the good ones?!

Who will restore the position of Quds, and the honour of the Ummah, other than you, O officers and armies?! Who will help ash-Sham and Ghouta from the criminal Bashar, and the wicked Putin and the murderer Trump?!

You are the descendants of Sa'ad ibn Mu'adh, Sa'ad ibn Ubadah, As'ad ibn Zurara and Usayd ibn Hudayr, so be the Ansar of Islam today as your ancestors were the Ansar of Islam yesterday.

Overthrow, the rulers of the calamities, and establish the state of Islam.

Loudly declare in the squares of the world that there is no god but Allah, Muhammad is the Messenger of Allah.

March in masses with your Takbeer, Tahlil towards Masjid Al-Aqsa and Palestine.

Disassociate from you the cloud of fear and humiliation and hold on to the rope of Allah All Powerful Mighty.

Then the angels and all Muslims will pray for you until the Day of Judgment.

By Allah! This is the glory of this world and the Hereafter, and the honor of life and death.

We in Hizb ut Tahrir invite you to support Islam and Muslims and to work with us to establish the Khilafah that will restore the Ummah's dignity and Al-Quds to its position, to please Allah and His Messenger. So respond to the command of Allah in His Great Book:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

"Believers! Respond to Allah, and respond to the Messenger when he calls you to that which gives you life. Know well that Allah stands between a man and his heart, and it is to Him that all of you shall be mustered." (8:24)

O Allah, in whose hands are the hearts of the believers, Make us reach the Ummah of Islam and make their hearts turn to support your religion and liberate the Mi'raaj of your messenger.

O Allah, Destroy America and its followers and the enemies of Islam ... O Allah, divide their gatherings and cast horror in their hearts and tighten their circle on them and make them and their homes war spoils for the Muslims.

O Allah, purify Al-Aqsa Mosque from the abomination of the usurpers and honor us with the Bayaah to the Commander of the Believers. And gather the Muslims victorious

Peace and Blessing be upon the Prophet Muhammed, his family and his companions. Praise be to Allah, Lord of the Worlds.

And Peace be upon you and Allah's mercy and His blessings.

Hizb ut Tahrir / Wilayah Bangladesh Successfully Organized the March for the Re-establishment of the Khilafah Rashidah – the Kafir Imperialist and their Agents Want to Extinguish the Earnest Demand of the Muslims, the Re-Establishment of the Khilafah (Caliphate), But Allah Will Surely Perfect the Light of His Deen

Press Release

Commemorating 28th Rajab: the Destruction of the Khilafah (Caliphate) as part of a global campaign, Hizb ut Tahrir / Wilayah Bangladesh, today (13th April, 2018, Friday) as per its previous declaration successfully organized the marches from various important mosques of Dhaka and Chittagong for the demand of the re-establishment of Khilafah Rashidah. After Jumma prayer, with the participation of the activists and supporters of the party and the general people of the community, the marches started from various mosques and then moved toward important roads of Dhaka and Chittagong such as: Shapla Chattar of Motijil, Ittefaq Mor, Dhanmondi 27, Jasimuddin of Uttara, Hazi camp of Airport Railway Station, Rokeya Soroni of Mirpur, New Market of Chittagong, etc., and then peacefully finished the marches. Participants in the marches raised the Shahadah flags high and chanted slogans: "Ummah is Revived - Khilafah is emerging", "For the demand of Khilafah - come down to the street", "Woe to democracy - Victory to the people", "Food, Clothing and Shelter-Khilafah is the Answer", "Our only way out - Khilafah Khilafah".

From the fear and to sabotage this marches the government cravenly started arresting activists of Hizb ut Tahrir from Wednesday night to spread fear among the members of the party and the people, and like thugs arrested five activists of Hizb ut Tahrir by raiding their houses in the middle of the night, amongst whom are ex-banker, architect, and engineer. They increased the number of police forces in the mosques to increase fear among worshipers, but the Muslims foiling all the evil actions and by following the footsteps of their forefather Hamza, Umar, Ali (ra.) marched bravely and by the will of Allah they were able to successfully finish the programs.

28th Rajab, 1342 AH (3rd March, 1924), the day the Khilafah (Caliphate) was destroyed by the Kafir colonialists and their agent cursed Mustafa Kamal, is the most disgraceful day and the greatest calamity in the Islamic history because the Muslims lost their shield on that day. It was not just a fall of a State, but rather from that day the Muslims lost the practical application of the Quran and the Sunnah, they became fragmented, and they lost their positions of dignity and of being a superpower. After that, the Kafir imperialists attacked us like wolves attack their fallen prey. Our lands has become the target of their greed, exploitation and looting. Our honor is being violated, and our blood has become so cheap that it is being shed relentlessly.

To erase the memory of the Khilafah from the hearts and minds of the Muslims, they divided our body into more than 50 nation

states, and they appointed their loyal agents and imposed the curses of secular democracy or monarchy on the Muslims. As a result, widespread corruption, fitna and huge economic disparity have become a regular phenomenon and when people become desperate to liberate themselves from these situations they are suppressed with iron fists. The Kafir colonialists and their agent rulers did not stop here, but they resorted to deceptive ways and to run propaganda against the idea of the Khilafah so that the Ummah cannot again stand back on its feet to unite and join together under the leadership of the Khilafah. Despite all these desperate attempts, they could not remove the idea of Khilafah from the hearts and minds of the Islamic Ummah. All of their evil efforts to suppress the will and aspiration of this Ummah to return under the shade of Islamic ruling have failed. The Muslim Ummah has hatefully rejected all other man made systems that were imposed on her. And the re-establishment of the Khilafah on the method of Prophethood has become the only demand of this Ummah. Each of the Muslim lands has become blessed by the advocates of the Khilafah and now the Muslim Ummah is at the door step of the establishment of Khilafah, InshAllah. ﴿إِنَّ نَصْرَ اللَّهِ قَرِيبٌ﴾ "Indeed, the help (victory) of Allah is near". [Al-Baqara: 214]

The coming Khilafah will bring goodness, pride and dignity for Muslims, and bring humiliation and defeat to the enemies of Islam. When it is established, the occupied Muslim lands will be liberated, the fragmented Muslim Ummah will be united under one State

and it will destroy the worldwide colonial aggression and will take the position of a superpower in the world, with Allah's permission. Furthermore, it is the promise of Allah and the glad tiding of His Messenger (saw). Allah will accomplish His promise, and it will be the Khilafah Rashidah (righteous Caliphate) as His Messenger (saw) gave us tidings to.

«ثُمَّ تَكُونُ مُلْكًا جَبْرِيَّةً فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا
ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَا جِ النَّبُوءَةِ ثُمَّ سَكَتَ»

“...then Allah (swt) will remove it (Oppressive rule) when He wills, and then there will be Khilafah on the method of Prophethood”. [Ahmad]

O Muslims, Khilafah is not just an obligation (Fardh), rather, it is the crown of all obligations. According to ijmaa' Sahabah (consensus) it is not allowed for Muslims to remain without the

Khilafah for more than 3 days and 2 nights, whereas we have been 97 years without the Khilafah. We do not want to spend one more day without the Khilafah. So, come forward and join in the intellectual and political struggle of the re-establishment of the Khilafah Rashidah. And, demand from the sincere military officers to remove this current ruling regime and transfer the power to Hizb ut Tahrir for the re-establishment of the Khilafah.

«يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ»

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.” [Al-Anfal: 24]

Hizb ut Tahrir / Kenya reminds Muslims of the Most Bitter Occasion, The Fall of Khilafah

Press Statement

On Friday 13th April 2018, Hizb ut Tahrir in Kenya led the Muslim Ummah in the 97th Anniversary of the darkest event; the destruction of Khilafah (Caliphate) that left the Ummah as an orphan with no one to care of its affairs. The remembrance was done by conducting picketing after Jumua Prayers in major cities of Nairobi and Mombasa as well as other towns of Lungalunga and Kilifi.

The picketing was under the slogan:

SaveJanat_SaveGhouta_ReturnTheKhilafah

Hizb reminded the Muslims that Russia's enmity against the noble callers of the Khilafah is not new as it collaborated with Britain in destroying the Khilafah in 1924. Indeed the abolishment of Khilafah is the source of all humiliations and catastrophes befalling the noble Ummah globally as it lost its shield to whom the Prophet (saw) mentioned him in his hadith:

«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتَلُ مِنْ وَرَائِهِ وَيَتَّقَى بِهِ»

“Indeed, the Imam (Khaleefah) is a shield, from behind whom you fight and by whom you are protected.” [Muslim]

The picketing was part of the massive global campaign launched by the Central Media Office of Hizb ut Tahrir in the sacred month of Rajab 1439 AH. The campaign is aimed at reminding the Muslims

to redouble their efforts in performing one of their great obligations rather the mother of all obligations i.e. re-establishing the Khilafah upon the method of the Prophethood. The remembrance comes at a time Muslims are suffering under the yoke of colonial capitalists who strive through the land to cause corruption therein and destroy crops and animals. Indeed this is the reminder for those who remember and who will understand that the re-establishment of the Khilafah is the real solutions to all political, economic and social evils. Truly, the believers will rejoice with the victory of Allah (swt) on the day when the Khilafah is re-established.

During these stops, speeches were delivered, and a leaflet was distributed to remind Muslims of this painful tragedy and to call them to work hard to return it, not as a project of Hizb ut Tahrir, but because it an obligation (Fardh) ordained by Allah (swt) on all Muslims, and their life is only straightened by it.

Within the framework of the global events organized by Hizb ut Tahrir on the occasion of the anniversary of the destruction of the Khilafah state (28 Rajab) to awaken the Islamic Ummah and sharpen its enthusiasm for the establishment of the Khilafah (Caliphate), during the month of Rajab, to remind the Ummah of the destruction of the state of the Caliphate on 28 Rajab and the passage of ninety-seven years of the painful anniversary, where the sisters intensified the open dialogues and visits at home to educate Muslims about the dimensions of this great loss and its repercussions on the issues of the Islamic Ummah in general and on current events, in Sudan in particular. The activities included several areas in the capital, Omdurman, Kalakla and Haj Youssef, and dealt with several topics such as: "A life of humiliation under the secularism of the West or during the time under the Khaleefah Rashid?" and "The perception of Islam for social life is the way of salvation" and "We will return it the first Seerah - Khilafah on the method of the Prophethood." Also the youth Festival: The Cubs of the Khilafah remind the Ummah of its duty of its return on the method of the Prophethood which was held within the activities of Rajab by Hizb ut Tahrir / Wilayah Sudan. The sisters in Gedaref also interacted with the Oratorical festival and held intensive discussions on women's issues, the absence of the caliphate, the re-establishment of Islam and the happiness of Muslim and non-Muslim women. The Women's Section of Hizb ut Tahrir / Wilayah Sudan also participated in the intensive publication of the campaign of "The Khilafah – Establishment of the Deen and Empowerment" launched by Hizb ut Tahrir on their websites. The sisters have also prepared banners and video clips to deliver the message of truth to women inside and outside the Sudan. We ask Allah to accept the worship and allow the near victory in these blessed days. Praise be to Allah, Lord of the Worlds.

Hizb ut Tahrir / Canada: Various activities for the Anniversary of the Destruction of the Khilafah State

As part of the global events organized by Hizb ut Tahrir on the anniversary of the destruction of the Caliphate (28 Rajab) to awaken the Islamic Ummah and sharpen its resolve.

Hizb ut Tahrir / Canada organized various events on the anniversary of the destruction of the Khilafah (Caliphate) State.

"A Look at the Causes of the Failures of Mass Revolutions in the Arab Countries!", And another lecture entitled "From the Seerah to find Lessons to Achieve Change" focused on hardness and the clarity of the change project led by the Messenger of Allah peace be upon him in Mecca and how the revolutions can succeed if it adopted his methodology.

The Prophet (peace and blessings of Allah be upon him) was in the change and proved to him. A book fair was also held in which a distinguished collection of the Hizb culture books was presented by Hizb ut Tahrir.

The popular revolutions in the Arab lands have failed to create real change. In some countries, the corrupt regimes have changed their skin, but their essence has remained. In other countries, the regimes are still clinging to power, untouched. The popular uprisings against tyranny and corruption created an opportunity to initiate real change, but the Ummah missed it because it did not realize that removing these regimes, without embracing a comprehensive project for the future of the entire Ummah, will create a vacuum that will be filled by the colonial powers. Adopting a comprehensive project for the future, built on the Islamic Aqeedah, must come first, ahead of any attempt at change if the Ummah has any hope of succeeding. Only the Khilafah project has the foundation and the scope to address successfully the challenges that the Ummah faces.

Coercion Will Not Silence Our Message

Press Release

On Friday, April 13th Holiday Inn & Suites informed Hizb ut Tahrir America that they canceled the reservation for our annual Khilafah Conference titled, 'Assault on the Muslim Mind.' They offered no explanation other than stating this "decision was from corporate and others." One must question the abrupt cancelation, just a week prior to the scheduled event.

Hizb ut Tahrir America addresses the following points:

1. Fallacy of free speech: Canceling the Hizb ut Tahrir America event shows that free speech is selective. Hate groups, alt-right and Nazi sympathizers are given platforms by various venues to host their events. So, why is it that when we would like to articulate our views our events are canceled? Hizb ut Tahrir does not call for hate speech or advocate violence. We articulate the fallacies of Secular ideals and offer the Islamic alternative.

2. Coercion from government authorities and far-right groups:

Government authorities and far-right groups in the past have pressured the venues to cancel our events. Let it be clear to all detractors that coercion will not silence our message. Our event is about the government agenda to secularize the Muslim mind and counter the Secular narrative on Islam. Canceling our events only validates our point.

3. Coercive tactics to pressure the Muslim community: Muslim communities have come under increasing pressure to silence dissenting voices and the Secular-liberal narratives on Islam. For

decades the Muslim community has been viewed through the lens of national security, terrorism and forced integration. We are coerced to assimilate, prove our patriotism, adopt Western values, reform and redefine Islam so that it is palatable to secular liberalism! Moreover, draconian measures like Countering Violent Extremism (CVE) that involves surveillance, intimidation and agent provocateurs have created fear and mistrust in our communities. Such coercive tactics will not silence our message.

The message of Islam exposes the weak foundations of Secularism. Islam offers viable alternatives to Muslims and non-Muslims alike. It offers solutions to the disorder caused by Secularism. We aspire to liberate the Muslim mind from the constraints of secular-liberal thought. We expose the covert and overt tactics utilized by the West to pacify and secularize Muslims. Without a doubt, it is clear the conference topic is powerful and has the promise of exposing the fallacies of those

who strive to suppress the Haqq (truth).

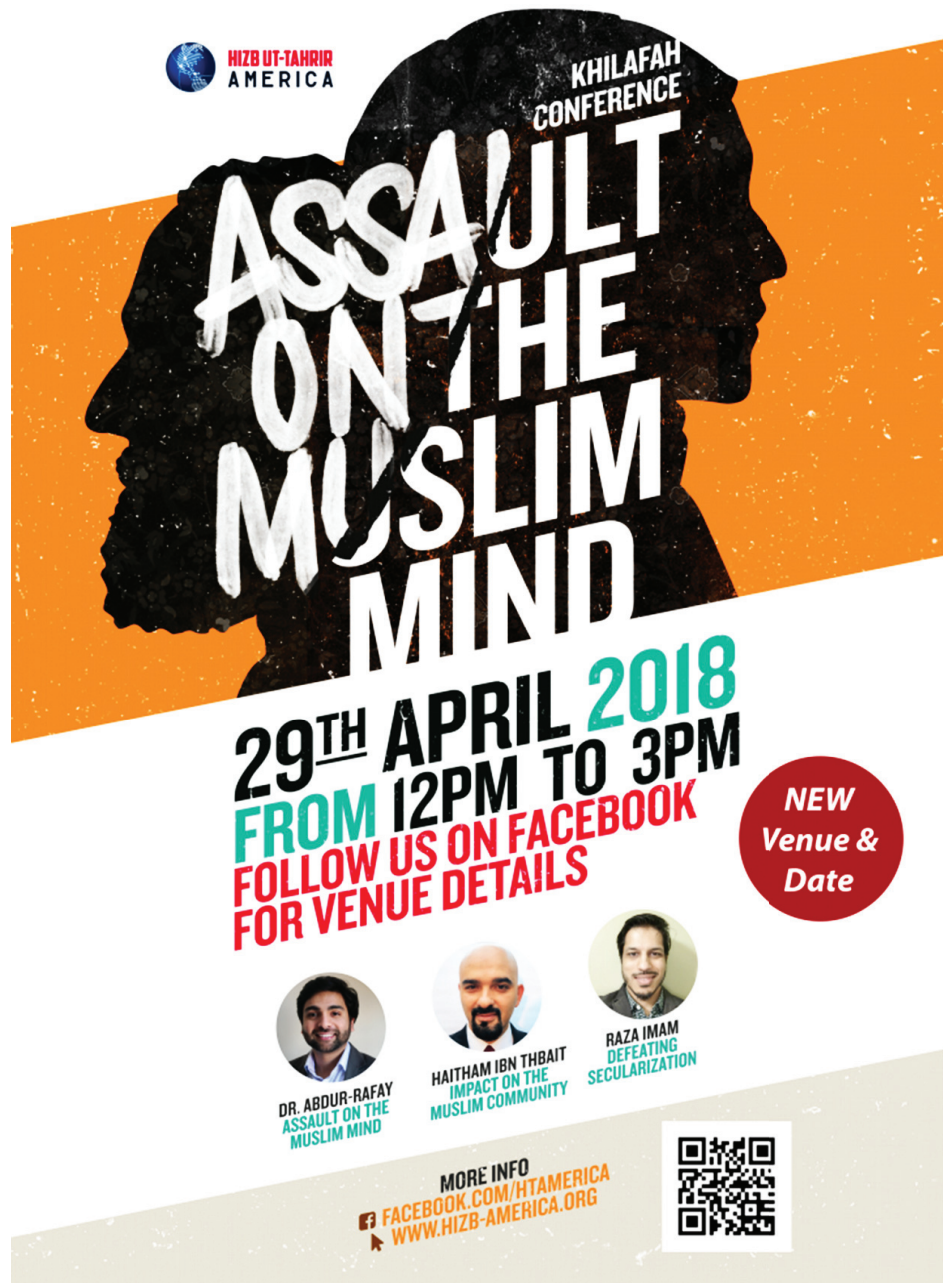

Finally, we advise the Muslim community to stand firm with Hizb ut Tahrir and resist the government pressure, counter the Secular narrative on Islam and protect the Muslim mind. Allah (swt) says:

﴿يُرِيدُونَ أَن يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَى اللَّهُ إِلَهُ أَن يَبْتِمَّ نُورُهُ وَلَوْ كَرِهَ الْكَافِرُونَ﴾

"They want to extinguish Allah's Light with their mouths, but Allah will not allow except that His Light should be perfected even though the disbelievers hate it." [At-Taubah: 32]

The event is re-scheduled for April 29th 2018. Further details will be made available on our website and Facebook page.

A Tremendous March at the Conclusion of the Events for the Anniversary of the Destruction of the Khilafah in the Month of Rajab

Press Release

(Translated)

Despite the attempts of the security authorities to prevent the activities of the anniversary of the destruction of the Khilafah (Caliphate), which was demolished on such days of the month of Rajab 1342 AH, ninety-seven years ago, Hizb ut Tahrir / Wilayah of Sudan, by praise and blessings of Allah, and then with the stand and determination of its Shabab and the support of the Ummah, the Hizb was able to carry out its final three days events successfully, delighting the chests of the believers and enraging the Kuffar and the disbelievers. The Hizb hung 220 large banners at the entrances and exits of the bridges and the main streets of the capital, on Thursday, 25 Rajab 1439 AH. These banners presented thoughts and slogans, including

Khilafah ... The State of Welfare Not Levies

Khilafah ... Until We Return One Ummah under One Rayah

Khilafah ... For the liberation for all of Palestine and the uprooting
of the Jewish entity

Khilafah ... For a pure, pious, and sincere leadership that leads us
by Revelation and abides by it

Khilafah ... Supporter of the weak and Liberator of the Muslim
countries

including other ideas and slogans, which were also written in posters that have been pasted on cars, shops and other public places, which made the Ummah interact positively with them. The Media Office phones have been receiving support and advocacy calls for Khilafah over the past few days, and some supporters came to the office and registered their support for the Hizb and its idea.

After Friday prayers, 26th Rajab 1439 AH, the Shabab of Hizb ut Tahrir carried banners urging people to work for the resumption of the Islamic way of life by establishing the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, in addition to the banners (Rayat) and the flags (Al-Liwa) of the beloved Muhammad (saw) in a glorious scene in the grand Mosques of Khartoum, Wad Madani, Qadarif, Al-Abyad and Nyala.

The final day, Saturday, 27 Rajab 1439 AH, was a wonderful

conclusion with a tremendous rally procession of cars marched in most of the streets of the three cities in the capital, wherein the Shabab chanted the slogans of the return of the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, and the public interacted with the Shabab chanting with them Tahleel and Takbeer. This was in place of the mass rhetoric festival the Hizb planned to be held today at Ar-Rabita Midan (square) in Shambat in Khartoum North where the security authorities refused to allow the event.

These events have shown the Ummah's pureness who longs for the dawn of the second Khilafah Rashidah (righteous Caliphate) state on the method of the Prophethood, in which its time has come, and its era has approached.

We ask Almighty to hasten it, so the sincere believers rejoice in His victory and the establishment of His Law on Earth.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾
*"And that day the believers will rejoice * In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful."* [Ar-Rum: 45-]

28 Rajab 1342 AH - The Abolishment of the Caliphate: Muslims are Obligated to Re-Establish it

(Translated)

The 14th General Election which will be held on the 9th of May 2018 will determine whether the Barisan Nasional government will continue its ruling legacy or history will be created where the opposition forms a new government. We may also witness the formation of a unity government by the competing parties if neither Barisan Nasional nor the opposition Pakatan Harapan are able to clinch the majority vote - everything will be answered after the election. These scenarios are all part of the democratic election practice; a new government will be elected when the governing period of the previous government ends. Those who are elected will then undertake the legislative function which is to legislate laws within the secular-democratic framework.

What need to be understood is that this election process is not designed as a mechanism to change the secular-democratic system to an Islamic system or any other systems. On the contrary the election serves to ensure the continuity of the secular-democratic system. The implementation of this system is one of the biggest victories for the Western colonial powers in preventing the Islamic system from being re-established. The Khilafah system had provided protection and brought prosperity to Muslims and non-Muslims alike for approximately 1300 years before it was officially abolished by the traitor Mustafa Kemal Atatürk on the 28th of Rajab 1342 Hijri or the 3rd of March 1924 in Ottoman Turkey. Since losing their protector, Muslims began to be the victims in many international conflicts. «إِنَّمَا الْإِمَامُ جُنَّةٌ» «يَقَاتِلُ مَنْ وَرَائِهِ وَيَنْتَقِي بِهِ» *“Verily the Imam (khalifah) is but a shield (protection) behind whom you fight and protect yourself.”* [Hadith narrated by Bukhari, Muslim and Ahmad]

Amongst the calamities that befell Muslims due to the destruction of the Khilafah is the conflict in the blessed land of Palestine. Al-Aqsa which witnessed the event of Isra' wal Mi'raj of the Prophet Rasulullah (saw) on the 27th of Rajab is currently being colonized by the Zionist regime. Much Muslim blood have been spilled on the blessed land and now millions are living as refugees due to the atrocities committed by the Zionist regime. From the west to the east of the globe, Muslims are victimized. Muslims in Arakan are being hunted and killed ruthlessly by the Myanmar regime. Muslims in Syria are massacred without mercy, bombed and gassed by the Bashar regime with the assistance of Russia and its allies. Similar fate also happened to Muslims in Afghanistan, Iraq, Kashmir, Southern Thailand, Southern Philippines, Xinjiang and Chechnya.

O Ummah of Rasulullah (saw), have you ever thought of why these calamities befell the Muslims? Aren't they (Muslims throughout the world) our brothers and sisters in faith? They are indeed our brothers and sisters bonded by the kalimah of tauhid (the oneness of Allah) Laa Ilaha Illallah, Muhammadur Rasulullah. Unfortunately, the shackles of nation state borders created by the West dissolve the bond of brotherhood amongst us. Allah (swt) says, «إِنَّمَا الْمُؤْمِنُونَ إِخْوَةٌ» *“The believers are but brothers”* [TMQ al-Hujurat (49):10].

O Muslims! We have to come to the realization that none of the current Muslim rulers are defending us like what had been accomplished by Khalifah Al-Mu'tasim. There is no more Salahuddin Al-Ayubi who will wage jihad to liberate the blessed land of Palestine. Today, Muslim rulers without shame and guilt treacherously collaborate with the Western kuffar to wage war against their fellow Muslims. Before the Muslims, they gave fiery speeches pretending to defend the Ummah but on the next day, they warmly hug and shake the hands of the enemies of Islam which are still freshly stained with Muslim blood. Such is the hypocrisy and treachery of the Muslim rulers who are in reality just Western stooges that cannot be trusted.

O Muslims!

The effort to re-establish the Khilafah system must begin with the awareness that the laws revealed by Allah (swt) must be held at the highest position in the nation's rule. Allah has revealed to us through the holy Al-Quran and the Sunnah of Rasulullah (saw) the method of implementing these rules of Allah in a holistic manner. This can only be achieved by establishing a State which implements the Islamic ruling system in its totality i.e. the Khilafah State. The Khilafah State is the mother of the implementation of various divine rules in our lives. When the Khilafah State was abolished on the 28th of Rajab 1342 AH, a large portion of the Shariah law can no longer be implemented. Only small parts of the Islamic law concerning morals, worship and a limited sphere of muamalat (relations) remain practised. It is unfortunately true that after the fall of the Khilafah State, the mother of all obligations, the Islamic life that had existed for more than 1300 years has practically disappeared from the Ummah.

The re-establishment of Khilafah is an obligation and an honourable political task because without the Khilafah, Shariah cannot be implemented comprehensively. This is in accordance with the Shara' precept *Mâ lâ Yatimmu al-Wâjibu illâ bihi fa Huwa Wâjib* (when an obligation cannot be fulfilled without a factor, then that factor becomes obligatory). The Prophet (saw), who is our shining example has explicitly demonstrated to us the method of establishing the Khilafah ruling system. It is this method that we have to follow in establishing the Khilafah State. It is this methodology that will bring about true change – where

the laws of man will be totally replaced by the laws of Allah (swt). Verily, whichever party rules after the election, if the system remains the same - the secular-democratic system, in reality, true change is still not attained.

O Muslims! Verily the honour, prosperity and true change within the Islamic ummah can only be attained by the return of the Khilafah State, the supreme political institution for Muslims. This was the experience of the previous generations when they lived under the shade of the Khilafah. And inshaAllah, this is also what we wish to experience with the re-establishment of this noble institution that unites all Muslims. Al-Quran and As-Sunnah will again be the regulator in the affairs of life and statehood. The glory that had been lost all this while will surely return to us, by will of Allah (swt). And the light of virtue and goodness will shine its rays to every corner of the globe. And the whole world will be covered with blessings and mercy from Allah Azza wa Jalla.

O Brothers and Sisters, Allah Azza wa Jalla has granted the power

in your hands to appoint and to pledge allegiance to a Khalifah who will administer this world with the commands and prohibitions of Allah and subsequently bring victory and glory to you. Therefore, wake up my brothers and sisters! Let us revive ourselves - join the Shabab of Hizb ut Tahrir in your efforts to re-establish Islam. Indeed Hizb ut Tahrir is amongst you and is with you. Hizb ut Tahrir has promised to Allah and His Messenger to strive with the upmost effort and dedication to spread the message of Allah and to seek nusrah (assistance) so that the Islamic way of life will be revived by re-establishing the Daulah Khilafah ar-Rashidah (rightly guided Caliphate) on the method of the Prophethood. To Allah we pray and only to Him we seek protection.

On the 97th Anniversary of the Destruction of the Khilafah

(Translated)

In the month of Rajab, Muslims live 97 years without a state. The Messenger of Allah (saw) in the hadeeth narrated by Bukhari on the authority of Abu Hurayrah said: «وَأَنَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَنْقَى بِهِ» "A commander (of the Muslims) is a shield for them. They fight behind him and they are protected by (him from tyrants and aggressors)."

Since Muslims have lost their Khaleefah, the nations are attacking them from every horizon; and pounced upon them just as predators prey upon food. The enemies have removed our Shariah law and made us taste ill-treatment after they have torn our one state into weak states, plundered our wealth, and shed our blood. They desecrated the first of the two Qibla, the third of the two Holy Mosques, and the Masra of the Messenger of Allah (saw). No Muslim remained saved from their injustice or killing. They wreaked torture and extermination on all Muslims living in Syria, Iraq, East Turkistan, Burma and Central Africa...

The Kafir colonists entered a new phase in their war against Islam and Muslims in the Central Asian countries by creating nominal confusion in the neighboring Afghanistan. They have begun to escalate the war against all those who have carried out the ideological Dawah, paving the way for the application of "moderate Islam". In this raging war, the injustice of the ruling power did not forget the weak women. They have become indifferent to the arrest, humiliation and threats of rape and murder of Muslim women and throwing them behind bars, although they are mothers to children. The rulers of Central Asia launched a comprehensive campaign against bearded young men and against women wearing Khimar (headscarf), limiting boys' access to mosques at a certain age and banning girl students from wearing Khimar. This faction of puppet rulers has not only implemented these campaigns, but also

prevented parents from naming their children with Islamic names!

The humiliation, degradation and distress of the Muslims did not end there, but they are like orphans on the table to the ruthless. Their countries have been torn apart, their dignity humiliated, their honors violated, their wealth looted, their sanctities desecrated, their borders fabricated, their lives kept away from Allah's law. And their rulers have become loyal to the West, interested only in defending the interests of colonization of their Kafir masters. Thus, the words of the Messenger of Allah (saw) are true that we have become like foam, like the foam on the river, despite the fact that our number is many!

Despite the conquest of the Islamic world by the colonizing West and annexing its invasion by the cultural invasion of the 19th century CE and striking the Khilafah (Caliphate) for decades by slandering the ideas of Islam. Despite all this, Allah has granted the Islamic Ummah with roaring voices demanding the Islamic Khilafah, and Muslim countries are witnessing the works by Shabab of Hizb ut Tahrir from Indonesia to Malaysia, Pakistan, Turkey, Syria, Lebanon, Palestine, Central Asia...

However, there is no Islam without a sovereign state, which rules by what Allah has revealed and forbids what Allah has forbidden and makes lawful what Allah has permitted. It takes care of all its citizens, Muslims and non-Muslims, by the Shari'ah and guarantees their lives with justice, security and safety. And the humanity will

relish the shadows of the light of Islam and its guidance and will be liberated from the tyrannical regimes imposed by colonialism after it was stung by its fire. The Islamic Ummah will return to be the best Ummah brought out for humankind carrying the Divine message, will dust off the corrupt Western materialistic civilization that corrupts and will destroy its ends, and will liberate all humankind from its impurity and encircle them with the justice and mercy of Islam.

Allah (swt) said:

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾

“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before

them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.” [An-Nur: 55]

And the Prophet (saw) said:

«إِنَّ اللَّهَ زَوَى لِي الْأَرْضَ فَرَأَيْتُ مَشَارِقَهَا وَمَغَارِبَهَا، وَإِنَّ مَلَكَ أُمَّتِي سَيَبْلُغُ زَوَى لِي مِنْهَا»

“Allah drew the ends of the world near one another for my sake. And I have seen its eastern and western ends. And the dominion of my Ummah would reach those ends which have been drawn near me.”

The Only Way to Gain what we Lost by the Destruction of the Khilafah is to Re-establish it

(Translated)

The most disgraceful and greatest calamity in the Islamic history, and the most severe and devastating for a long time is the abolition of the Khilafah (Caliphate) on March 3, 1924 by the colonizer and his local agents. The removal of the Khilafah is not like the removal of any state in history but by its removal, the legal provisions are removed from reality, the Islamic leadership is disintegrating and the Ummah is torn apart, and this is what happened. After that, there was no calamity left but befell on the Islamic Ummah, which lost its dignity, prestige and greatness; its territory was dreadfully occupied, and its children were brutally killed and its wealth was wasted. And with the destruction of the Khilafah, the Islamic Ummah was distanced from its Deen and lost its political will, military strength, economic wealth and its strategic strength.

The destruction of the Khilafah did not take place overnight, but for three centuries they were drawing up plans for its long-term destruction in a comprehensive and sustained manner. As colonial countries, and in particular the Western countries, the Kuffar, for their very good knowledge of the seriousness of the Khilafah on them, have worked to demolish it and to prevent its re-establishment after being demolished with all their might. First: to tear down the Islamic countries and appoint loyal agents to them and impose their Kufr systems, ideas and way of life. Secondly, placing the Muslims under permanent occupation and making them in a permanent state of war and sentenced to death, extermination and subjugation. The most prominent example of this is the planting of the Jewish entity as a dagger in the waist of the Muslim Ummah.

Not only that the colonists did so, but they resorted to various ways so that the Ummah could not stand on its feet, unite and meet again under the leadership of the Khilafah, which is the shield behind which it fights. So, they spread fallacies to distance the Muslims from the idea of Khilafah. They claimed that Khilafah is not a legitimate obligation but a historical phenomenon; they run

campaigns to blacken the pages of Khilafah, to alienate Muslims from it, and left no injustice except inflicting it on the Muslims who are working to establish the Khilafah again.

Despite all these desperate attempts, they could not remove the idea of Khilafah from the mind and heart of the Islamic Ummah. But today the Ummah feels more the absence of the Khilafah and has realized its importance, so it begun to demand and defend it with determination. So, who is currently working against it and hindering its re-establishment? Surely, they are the colonists who destroy crops and animals with all brutality! They are their agents who seek their glory without Allah and follow their orders! They are the foolish and the unwise who have distanced themselves from the Islamic way of life!

Khilafah is the goodness, pride and dignity for Muslims, and is evil, humiliation and defeat to the enemies of Islam. When it is established, the occupied Muslim lands will be liberated, the fragmented Muslim Ummah will be united and will regain what it has lost. It will destroy the world colonial system and will take the position of the first country in the world, with Allah's permission. The justice of Islam will embrace all the humanity, which is

tempered by the fire, injustice and corruption of capitalism, and not Muslims alone.

O Muslims! Khilafah is an obligation (Fardh) on you, rather, it is the crown of all obligations. Furthermore, it is the promise of Allah and the glad tiding of His Messenger (saw). Allah will accomplish his promise, and it will be Khilafah Rashidah (righteous Caliphate) as His Messenger (saw) gave tidings to. Khilafah is not a fantasy idea for Muslims. It and the liberation are the Truth and will be

achieved, with Allah's permission.

The Messenger of Allah (saw) said: **«تَمَّ تَكُونُ خِلَافَةً عَلَىٰ مِثْلِهَا النَّبِيُّ»**
“Then there will be a Khilafah on the Method of Prophethood”.

Finally, the Masks Fell off the Faces of the American Agents, Erdogan, Rouhani and Putin

They are preoccupied by proxy to maintain America's puppet regime in Syria, so that America devotes itself to its Crisis in Korea and China

(Translated)

On Wednesday 04/04/2018, the presidents of Russia, Iran and Turkey met in Ankara, and issued their final statement. It was clear from the statement, whether through the words of the text, or through the concealed... that the three are determined to maintain the rule of the American agent in Syria, and quell the movements of the people of Syria to establish the rule of Islam:

As for Erdogan, he used deception and continues to do so, in the Operation Euphrates Shield, who mobilized the fighters towards his shield, where Aleppo fell and was handed over to the regime. Then came Operation Olive Branch, where he mobilized the fighters also to Afrin, and southern Idlib fell, followed by eastern Ghouta ... He still has “Shields” and “Branches” up his sleeve until he finishes gathering the fighters in Idlib, and then mobilizes them to another area, therefore Idlib will be lost!

As for Rouhani-Khamenei, his militias in Syria roam in the plains and the mountains, from his revolutionary guard and his Lebanese party, to his militias from the horizons. All of them exert every effort to kill people to preserve the tyrant of Ash-Sham.

As for Putin, his crimes in Syria are clear for all to see, and he does not need to use deceit or justification, as Erdogan or Rouhani-Khamenei do. They use deceit, because they shout aloud that they are Muslims! Putin does not need that; he is a known enemy of Islam and Muslims.

These three are preoccupied with maintaining the secular rule of America's agent in Syria, and executing crimes, massacres and brutality in Syria, that are in their power and even beyond their power! They know that this regime is influenced by America, and they are maintaining it by proxy to allow America to deal with its crises in East Asia in North Korea and China ... If they were wise they should have followed a different approach than this, but Satan controls his followers!

However, these criminals, whether they were the three or whether America is behind them, would not have stood their ground with their crimes had it not been for the number of factions

that followed them, by the carrot and stick policy, coated with dirty money, threats and intimidation, otherwise those criminals would have failed.

Although Hizb ut Tahrir exhausted every effort to raise awareness in these factions, of what is going on and happening, yet they justified rushing in this path because they were supported with money and weapons, and that the Hizb cannot do that and only supports them with advice... They also added that advice does not help in the war of weapons! They did not realize that their sword is double-edged, it is a shield in the hand of the aware and insightful from the evil of his opponent, and a powerful means to defeat his enemy... But this shield is jagged when it is in the hand of the tricked, running behind the support of criminals; its broken edges kill its supporters before the enemy!

We say to these factions who rejected our advice and awareness; they said that this will not aid us in the war, and they opted for the support from money and weapons that came from the traitors of Muslims, Arabs, Turks and Persians, some of them added that we will take it even from the Russian and American criminals. Thinking that taking their dirty money would not stop them from fighting for Ash-Sham... We say to all of them: Now you see the result of your actions and your words, you have become displaced and evicted from your homes and children!

However this Ummah will not be defeated, Allah willing, the tables will turn. This Ummah has been plagued by such calamities and even more severe ones from the Crusaders and Tatars, and it rose up and uprooted them, and prevailed over the world again. It is true that the rule of Islam was established in those days, and that the

Khilafah (Caliphate) existed despite its weakness, yet the Ummah had a leader that united them to fight its enemy, and established the truth and destroyed the falsehood, and then it defeated the enemy and rose up again... Today there is no rule of Islam, there is no Khilafah; therefore, who will unite the Muslims to fight?

Indeed someone may say this, which is a true description of reality, but the work for the restoration of the Khilafah continues strongly, Allah willing. It has become a major demand for Muslims in their countries, and they are yearning for this in word and deed, and work to change those black days of the 26, 27, and 28 of Rajab 1342 AH, which were the platform for conspiracy and crime in the abolition of the Khilafah (Caliphate). They rush to remove those black days, and replace them with the Khilafah once again, in the day that is decreed by Allah (swt), and it is easy for Allah to accomplish this, and then those who wronged, betrayed and committed crimes will know their fate.

O Muslims:

Those three who have committed crimes against Syria, the Kaffir and hypocrites among them will not rejoice in their crimes and massacres against the people of Ash-Sham and its people, but the punishment will come to them from where they did not expect. Ash-Sham has been plagued by their likes but remained standing, and they have perished. And this is what will happen by the permission of Allah (saw),

﴿إِنَّ اللَّهَ بِأَعْيُنِهِمْ فَذَرَا﴾

“Indeed, Allah will accomplish His purpose. Allah has already set for everything a [decreed] extent” [At-Talaq: 3].

In the end, this is a message to the armies of Muslims in their barracks... Your position is puzzling, if the rulers send you to kill the Muslims you will obey, and if the Muslims cried for your support, you slow down and fail them, even remain silent like the silence of the graves. And your excuse is the obedience to your superiors, yet this is the road to your humiliation in the world and the painful torment in the Hereafter, and they (the rulers) will not help you then, even if you speak and utter in defense of yourselves:

﴿يَوْمَ تَقَلَّبُ وُجُوهُهُمْ فِي النَّارِ يَقُولُونَ يَا لَيْتَنَا أَطَعْنَا اللَّهَ وَأَطَعْنَا الرَّسُولَ * وَقَالُوا رَبَّنَا إِنَّا أَطَعْنَا سَادَتَنَا وَكِبَرَاءَنَا فَأَضَلُّونَا السَّبِيلَا﴾

“The Day their faces will be turned about in the Fire, they will say, “How we wish we had obeyed Allah and obeyed the Messenger.” And they will say, “Our Lord, indeed we obeyed our masters and our dignitaries, and they led us astray from the [right] way.” [Al-Ahzab: 66-67] However, you still have time to undo what you have committed, by supporting Allah’s Deen, to restore the rule of Islam in the land, and by cutting ties with the oppressors and hypocrites, and the Kaffir colonists. May this be an expiation for your sins, and Allah is truthful when He (swt) says:

﴿وَإِنِّي لَغَفَّارٌ لِّمَن تَابَ وَآمَنَ وَعَمِلَ صَالِحًا ثُمَّ اهْتَدَى﴾

“But indeed, I am the Perpetual Forgiver of whoever repents and believes and does righteousness and then continues in guidance” [Ta-Ha: 82].

In addition, we want to say to the Muslims in general, do not despair in Allah’s mercy, Ash-Sham will remain Ash-Sham, it is the abode of Islam. Ahmad in his Musnad narrated from Jubair Bin

Nafir, that Salma bin Nufail, told them that he came to the Prophet (saw), the Prophet (saw) said to him: «أَلَا إِنَّ عَقْرَ دَارِ الْمُؤْمِنِينَ الشَّامُ» “Verily the abode of the believers is Ash-Sham”. In the narration of Na’im Bin Hammad regarding the sedition, from Katheer Bin Murrah, he said: The Messenger of Allah (saw) said:

﴿عَقْرُ دَارِ الْإِسْلَامِ بِالشَّامِ﴾

“Ash-Sham is the abode of Islam”.

In conclusion, Hizb ut Tahrir, the guide that does not lie to its people, continues its work with and through the Ummah, and is steadfast on the truth, by Allah’s grace. It did not change and will not change its idea and method, because they are the truth.

﴿فَمَاذَا بَعْدَ الْحَقِّ إِلَّا الضَّلَالُ﴾

“And what can be beyond truth except error?” [Yunus: 32] The party is strong by the help of its Lord and Deen, it is beseeching Allah the Exalted, the Wise, that Allah’s promise will be fulfilled by its hands

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ﴾

“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them” [An-Nur: 55]. And the Bushra (glad-tiding) of the Messenger of Allah (saw) will be fulfilled for the party and its people, and all Muslims, Abu Daoud At-Tialsi narrated from Hudhayfah that he said: The Messenger of Allah (saw) said:

«... ثُمَّ تَكُونُ جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَى مِنْهَاجِ النَّبُوَّةِ»، ثُمَّ سَكَتَ

“then it will be oppressive for as long as Allah wills, then he will remove it when He wills, and then there will be Khilafah upon the Prophetic method” and then he remained silent.” And Ahmad extracted in this version: The Messenger of Allah (saw) said:

«... ثُمَّ تَكُونُ مَلَكًا جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَى مِنْهَاجِ نَبُوَّةٍ»، ثُمَّ سَكَتَ.

“then there will be oppressive kingship for as long as Allah wills, then he will remove it when He wills, and then there will be Khilafah upon the Prophetic method” and then he remained silent.”

The Hizb is assured of the victory of Allah (swt), not only for prophets and messengers, but also for true believers, not only in the Hereafter, but also in this world,

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand” [Ghafir: 51]. On that day, the believers will rejoice in the victory of Allah, and the criminals will be afflicted with humiliation in this world, and a painful punishment in the Hereafter. Allah is mighty in revenge [Al-Muntaqim], He is Powerful and Wise.
